EVENING. Entertainment in Blackstone Hall, consisting of Lecture by Prof. P. W. Bedford, with Steriopticon Exhibition, Readings and Recitations by Miss Jennie Dexter of Troy, N. Y., and Music by Mrs. Geo. F. H. Markoe, of Boston, Mass.

FRIDAY, SEPT. 10.

EXCURSION TO NEWPORT. The steamer Bay Queen has been chartered for this Excursion and will leave Providence at 10 A. M.

The sail down Narragansett Bay is one of the most pleasant excursions that can be made. The scenery is delightful, and

points of interest are almost continuous from Providence to Newport. The course will be laid so as to pass the U. S. Naval College on Coasters Island, the Training Ship "New Hampshire," the Torpedo Station, going around the latter, past the Lime Rock Light (the home of Ida Lewis, the Grace Darling of America), and past Fort Adams.

A landing will be made at "Crescent Park" for a genuine Rhode Island Clam Bake.

On arrival at Newport (about 2 P. M.) drags will be in waiting to take the excursionists on the famous "Ten-Mile Ocean Drive," passing the principal summer residences and points of interest, which will be pointed out. During the ride a visit will be made to the U. S. Life Saving Station, where, through the kindness of Ass't Supt. Capt. John Waters, an exhibition drill will be given, by Capt. Gould and his crew, showing the manner of rescuing the shipwrecked.

In returning to Providence the time will be so arranged that those wishing to leave on evening train for Boston or New York will be able to do so.

The price of Tickets has been placed at \$3.50. Tickets may be obtained in advance by applying to the Local Secretary, and to enable the Committee to perfect their arrangements it is desirable that all tickets be procured prior to September 1.

HOTEL ARRANGEMENTS.

Special rates have been secured as follows:
